Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The Examiner telephoned the atty to clarify the restriction requirement. Applicant elected Group IV, claims 31-32 (SEQ Id no. 2). However, the restriction requirement recited the wrong claim--it should have been claims 31 and 33 not claims 31 and 32. Atty did not call the Examiner to confirm the election of claims 31 and 33. Therefore a new restriction requirement is being sent.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)

i) ☐ It is not necessary for applicant to provide a separate record of the substance of the interview(if box is checked).
